Hi Margaret,

Please find an updated permit cover sheet with the correct date for Friday.  
We never sign, so that's no problem.

Thanks!

The permit has Load out as "Friday May 16" instead of Friday May 17 and also lacks a signature from the Department of Community Resources. Are either of those a problem?

Hi Margaret,

Thanks, I did get the additional check. Please find the final permit attached for your records (I apologize, I thought I sent it last week).

Unfortunately, due to City Codes, it is too late for me to post additional parking for you. You are welcome to have extras park in any public parking spaces, they just need to obey the posted signage for street sweeping and max parking times.

Thank you!

Good morning Kambria!

Just wanted to check that you got the additional check for the HBPD officer, and also to ask:

Is there any way we could increase the 401 Gould Ave parking to take up that whole lot? It looks like it has maybe 30-35 spaces total, and they're wanting to increase our # of extras.

Please give me a call or email!

Thanks,

Good morning,

Call times are going to be roughly:

5/14 8am-8pm (we'll be starting off-site)

5/15 7am-8pm

5/16 7am-8pm

5/17 7am-12pm

We have rented parking spaces and an office space from the church, and we're doing HMU and talent holding at the Hotel Hermosa, which should relieve the pressure a bit. But it is a pretty big set and a pretty small parking lot so we understand the concern.

Did you already receive the check for the initial invoice? It got mailed out Monday, I believe. So perhaps we can just get an additional invoice for the police officer?

Thanks,

Margaret Thompson

Hi Margaret,

Just got a little update. HBPD would like to have one officer assigned to your filming for each day because the store will be open to the Public and due to concerns over traffic/parking congestion at the filming location (it is always packed up there!).

Please confirm the actual call and wrap times for each day so I can share them with HBPD. I will send over an updated invoice when I hear back from you.

Thanks!

**Subject:** Community Center Parking

Hi Margaret,

Can you please confirm that the yellow spaces on the attached map will work for your parking at the community center? These spaces will be the least impactful to the community center's regular activities.

Thanks!

COI attached. We have now paid for the special effects permit with the LACFD, though I haven't yet received the final permit back from them. I imagine the checks for the permit fees will be ready today or tomorrow.

What else do you need from us?

Hi Kambria,

I have 2 questions for you regarding our shoot:

Would our location agreement work for proving we have permission to shoot at Lazy Acres?

The attached images show an area we would like to shoot from. It shows "no parking" signs, but we would be planning to lock off that area of the parking lot. The property owners have no problem with it, but suggested that I check with the city. Google maps out of date, but that is the area we are looking at.

Thank you!

Good morning!

Attached please find our permit application.  
We will shoot 5/15-5/16. Load in is 5/14, strike is 5/17.

We have increased the extras count to 20, so we would like to get parking spaces for the 45 crew at the community center and the 20 extras in the lot on Gould that you mentioned on the phone, just for the two shoot days. (this is on the permit as well). Please let me know if those numbers/locations work. Our ATL talent and crew will park at Lazy Acres.

Please send me a W9 and an invoice of some kind for the application fee and I'll get the check turned around asap.

Thank you!

Hi Kambria,

I have 2 questions for you regarding our shoot:

Would our location agreement work for proving we have permission to shoot at Lazy Acres?

The attached images show an area we would like to shoot from. It shows "no parking" signs, but we would be planning to lock off that area of the parking lot. The property owners have no problem with it, but suggested that I check with the city. Google maps out of date, but that is the area we are looking at.

Thank you!

Good morning!

Attached please find our permit application.  
We will shoot 5/15-5/16. Load in is 5/14, strike is 5/17.

We have increased the extras count to 20, so we would like to get parking spaces for the 45 crew at the community center and the 20 extras in the lot on Gould that you mentioned on the phone, just for the two shoot days. (this is on the permit as well). Please let me know if those numbers/locations work. Our ATL talent and crew will park at Lazy Acres.

Please send me a W9 and an invoice of some kind for the application fee and I'll get the check turned around asap.

Thank you!

Location agreement from Lazy Acres attached. Also the first part of the fire permit, if you need that.

We are waiting on the COI and some information to complete the special effects permit application for the fire department.

# LOCATION RELEASE - FEE BASED

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Owner (as listed below) hereby grants permission to **Triage Entertainment, LLC** and its parent, subsidiaries, licensees, successors, designees, and assigns (collectively, "Producer") to use in connection with the production of the **Food Network** program tentatively entitled "**Supermarket Stakeout**" ("Program"), and as necessary during any extension, reshooting, or preparation of publicity or promotion thereof, the premises situated at and more particularly described below (collectively, the "Premises"):

Lazy Acres 2510 CA-1 Hermosa Beach CA 90054

Owner agrees that Producer shall have the right to enter upon the Premises to create and capture audiovisual, audio-only, visual-only, and literary works, including the production of video and/or audio tapes, photographs, films, and/or recordings of, and on, the Location (the "Content") by any method of recording and to incorporate in the Content exteriors and interiors of any structures, real, intellectual, or personal property, and signs on or in the Premises (collectively, the "Structures"), as well as any names, logos, and verbiage contained on or in such Structures, and the right to refer to the Premises by its legal or commonly recognized name and address. Owner grants Producer the right to enter and exit, and to place and remove all necessary facilities and equipment on, the Premises. Producer shall have the right re-enter the Premises on additional dates as necessary during any preparation of publicity, extension, or reshooting for the Program. Location Fee: Seven Thousand Five Hundred Dollars (\$7,500) per shooting day payable as follows: \$15,000\_in\_full in advance of shoot days May 15, 2019 & May 16 2019.

Owner understands that Owner is responsible for paying all applicable taxes that may be imposed on the Location Fee, and Owner releases and indemnifies Producer from any liability related to any applicable taxes. Owner further understands that Owner must properly complete and submit to Producer an IRS Form W-9 or other similar form. Except for the Location Fee, Owner agrees that no consideration shall be due to Owner for the use of the Premises or the execution of this Location Release, and Producer shall not be obligated to pay Owner or any third party any consideration whatsoever, regardless of the time or method of any use of the Content.

Owner agrees that Producer, or Producer's agents and assigns, shall forever own all rights, including copyright, in the Content and the results and proceeds of such Content, and shall have the irrevocable right to use, and license others to use and sublicense, the Content in whole or in part, an unlimited number of times, in all languages, in all media whether now known or hereafter devised, anywhere in the Universe in connection with all forms of exploitation, including advertising, sale, promotion, marketing, merchandising, and distribution of the Program, related products, other programs and services. Producer shall have the right to edit the Content in any manner or form, and Owner waives any right to inspect or approve of any use of the Content, including droit moral rights, if any.

Owner hereby releases, discharges, and holds harmless Producer from all claims, demands, or causes of action that Owner may have, including without limitation, claims based upon defamation, commercial disparagement, invasion of privacy, trespass, or any other claims arising from the creation of or use of the Content. Producer agrees to hold harmless and indemnify Owner from all claims, demands, or causes of action based upon personal injuries, death, or physical property damage (other than normal wear and tear) resulting directly from Producer's gross negligence in connection with Producer's use of the Premises. Owner recognizes the obligation to inform Producer of any inherently dangerous conditions on Premises.

Owner represents and warrants that Owner is the sole owner (or Owner's authorized representative) or the sole lessee (or lessee's authorized representative) of the Premises and the consent of no other person or entity is necessary to grant the rights hereunder. Owner recognizes that Producer is relying on Owner's representations and warranties and the rights granted by Owner in this Location Release, and Owner's breach thereof would cause Producer irreparable injury and damage that cannot be reasonably or adequately compensated by damages in an action at law; therefore, Owner hereby expressly agrees that Producer shall be entitled to injunctive and other equitable relief to prevent and/or cure any breach or threatened breach of this Location Release by Owner. Owner waives the right to revoke, and any right to injunctive or other equitable relief, which Owner may have in connection with this Location Release.

All provisions hereof concerning the Content, the Program, and the potential inclusion of the Premises in the Program shall be kept strictly confidential by Owner and Owner's representatives. Neither Owner nor Owner's representatives shall issue any press releases or public statements about this Location Release, the Program and/or Producer without Producer's prior written permission.

Producer is not obligated to actually use the Premises, exploit the Content, or produce the Program. This Location Release shall be governed by the laws of the State of Tennessee (excluding conflicts of law principles), regardless of the place of its physical execution or the location of the Premises, and shall be binding on Owner and Owner's successors, parents, licensees, legal representatives, heirs, and assigns (as applicable). Owner hereby submits to the jurisdiction of the state and federal courts of the State of Tennessee, Knox County, to resolve any dispute arising out of or resulting from this Location Release. Owner shall not raise, and hereby waives, any defenses based upon improper venue, inconvenience of the forum, lack of personal jurisdiction, or the sufficiency of service of process. Termination of this Location Release, for any reason, shall not affect Producer's, or Producers agents', rights in the Content. Producer may assign its rights in the Content and/or the Program, in whole or in part, to any individual or entity, without restriction. This Location Release represents the entire understanding and supersedes all prior understandings between the parties relating to the subject matter herein.
